PROJECTS

Exampler.

- Designed a highly responsive UI, enhancing accessibility across all devices.
- Optimized conversion funnels, increasing user engagement and retention.

Grouple.in

- Implemented interactive UI/UX features, boosting platform usability.
- Integrated REST APIs, ensuring seamless real-time data updates.
- Integrated FormJS for dynamic form handling, improving user input validation.

Grouple end user platform

- Developed secure user authentication, enhancing platform security and reliability.
- Built a dynamic booking system, streamlining reservations and payments.
- Integrated Stripe for seamless online payments, improving transaction efficiency.
- Engineered a customized food & beverage menu, enabling smooth order management.

Grouple merchant dashboard

- Developed real-time booking & user management features, improving admin efficiency.
- Implemented advanced filtering & search, optimizing data retrieval speed.
- Integrated user analytics dashboards, providing actionable insights.

SKILLS

Technical Skills

• Languages and Frameworks

JavaScript (ES6+) , HTML 5 , CSS 3 , React JS, NextJS , Redux , Tailwind CSS

• Tools & Libraries

GitHub, FormJS, Stripe, RESTful & Mock APIs, UI Libraries.

• Performance & Optimization

Code Debugging, Page Load Optimization, Cross-Browser Compatibility

• Development Practices

Agile Methodologies, Responsive Design, Component-Based Architecture

Soft Skills:

- Team Collaboration
- Leadership
- Critical Thinking
- Problem-Solving
- Attention to Detail
- Time Management
- Deadline Adherence
- Adaptability & Continuous Learning
- Effective Communication

EDUCATION

2022 - 2023

Front-end web development
Scrimba, Norway

2020 - 2021

Diploma in Aviation and Hospitality
Frankfinn Institute, Indore

2019 - 2020

Higher Secondary education 12TH CLASS

MP Board, Indore
